

MYOB Product Range (as of 18/3/2015)

Classic Range

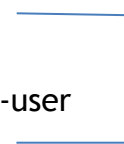

Software & Data

(the original desktop software - no intention to upgrade further - continued support for tax compliance)

Basics	Accounts/Banking/Sales/Card File
Standard	As Above + Purchases/Inventory
Plus	As Above + Payroll + Time Billing
Premier	As above + Multi-Currency + negative inventory + multi-user

Current Version 19.1

Current V 19.9

Stay here if:

* Speed paramount

* 3rd party add-ons

* Apple User

* Multi-Currency, Negative Inventory

AccountRight Live

Software

Data

(Very similar in operation to Classic Range. On-line **OR** Desktop)

Basics	\$37		Current Version 2014.2 3 users
Standard	\$50		
Plus	\$77		
Premier \$99	Unlimited users. Not all features available yet.		

Essentials

Software & Data

(On-line **ONLY**. Was called LIVE Accounts.)

CashBook	\$16	
Accounting	\$29	No Purchases/Time Billing/PR
Accounting + PR	\$40	

Features added regularly - for example: Time Billing due soon

Choose AccountRight Live **over** Essentials if you want all features e.g: detailed reporting and all modules previously available on Classic platform; don't want to commit to paying monthly fee for life i.e: want to own software and be able to keep using it even when your subscription ceases.
